YEARBOOK 1999

# REFLECTIONS 99

## PRINCIPAL'S MESSAGE

As usual the first thing that I must do is thank the Yearbook staff. Once again you have done a first rate job!! Under the guidance of Mrs. Fawzia Chowhdury and Editorship of Saima and Samin, this edition demonstrates the sprit of our young people. Rarely have I seen such a high quality "Book of Memories".

A Yearbook provides an opportunity to reflect on the past and to look to the future. This has been a significant year, with the opening of a new building we were able to expand to over one thousand students. Our debate team was very active – Adnan, Fahmi and Sohab became famous when they appeared on National Television. The sports teams played a number of games, for the first time we fielded a girls Volleyball Team, which played in a city wide tournament. The sports teams were not as successful as the debate team. However the level of sportsmanship was very high.

Our G.C.E . " O" level results were very good this year. Congratulations to those students who represented us so well at the Daily Star awards ceremony.

The graduating class is about to move on to new challenges and opportunities, on behalf of our whole school community I wish you good fortune and happiness and may you be the very best that you can be. We look to you as future leaders of Bangladesh.

## VICE PRINCIPAL'S MESSAGE

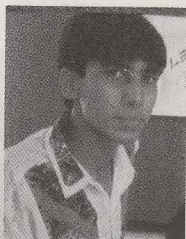

Like every year there is a new batch of class 9 and with that a new group to bring out the yearbook – a document of that year. As before I would again like to say that every year it's a new experience. Every group is different from the other and they all have their unique way of performing. Finally, yearbook'99 is about to be published and I would like to give special thanks to a few students without whom this yearbook would have never have been published. Amir Satter-started as a business editor and contributed a lot of his innovative ideas. Though he left school, he still continued to help us. There are others as Saima, Sameen, Nihan and Shanila. The stepped in as leaders and took the responsibility of finishing the huge task of bringing the yearbook to what you see it now. The came forward at the moment when we thought that we would not have the yearbook this year at all. Thanks to Mr. Mustafiz and Mrs. Farida for their extra time and especially Mrs. Nazli for taking the task of editing. Lastly thanks to Mr. Kays for his back-up.

This year the Reflection'99 is a special issue as it is for the first time that we have included our young members – the students and teachers of Junior / Primary section. Enjoy the yearbook in reminisce of your 1999 school days.
